2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

a. Basis of Measurement and Preparation of the Consolidated Financial Statements

The Consolidated Financial Statements are prepared in accordance with generally accepted accounting principles and practices in Indonesia, which are the Statements of Financial Accounting Standards and the Capital Market Supervisory Agency (BAPEPAM) regulations.

The Consolidated Financial Statements are prepared on the historical cost basis; except for inventories, which are valued at the lower of cost or net realizable values; derivative instruments, which are valued at fair value; and certain property, plant and equipment, which are stated at revalued amounts.

These Consolidated Financial Statements are prepared using accrual basis, except for the Consolidated Statements of Cash Flows.

The Consolidated Statements of Cash Flows are presented using the Direct method and classified into operating, investing and financing activities.

The reporting currency used in the Consolidated Financial Statements is the Indonesian Rupiah.

b. Principles of Consolidation

The Consolidated Financial Statements include the accounts of the Company and its Subsidiaries.

All significant accounts and transactions between consolidated companies are eliminated.

The proportionate share of the minority shareholders in the equity of the Subsidiaries is presented in "Minority Interests in Net Assets of Consolidated Subsidiaries" in the Consolidated Balance Sheets.

c. Allowance for Doubtful Accounts

The Company and Subsidiaries provide allowance for doubtful accounts based on a review of the status of the individual receivable at the end of the year.

d. Transactions with Related Parties

The Company and Subsidiaries have transactions with certain parties, which have related party relationship as defined in the Statement of Financial Accounting Standards (PSAK) No. 7, "Related Party Disclosures".

All significant transactions with related parties are disclosed in the Notes to the Consolidated Financial Statements.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

For the 6-Month Periods ended June 30, 2007 and 2006 (As restated)
(Expressed in Million of Rupiah, Except Otherwise Stated)

e. Restructuring of Entities under Common Control

Restructuring transactions of entities under common control are recorded in accordance with PSAK No. 38 (Revised 2004), "Accounting for Restructuring of Entities under Common Control". Under this standard, the restructuring transaction between entities under common control carried out within the framework of reorganizing the entities under the same group do not constitute a change of ownership in the meaning of economic substance, so that such transactions would not result in a gain or loss to the group or to the individual entity within the same group and must be recorded at book values as business combination using the pooling of interests method. Under the pooling of interest method, the Financial Statements from restructured company is presented as of the Company have been joined since the beginning of the presentation of Financial Statements.

The difference between the transfer price and net book value from the acquisition of Subsidiaries arising from restructuring transactions between entities under common control is presented as "Difference in Value of Restructuring Transactions of Entities under Common Control" in the Equity section.

f. Inventories

Inventories are stated at the lower of cost or net realizable value. Net realizable value is the estimated selling price in the ordinary course of business less the estimated cost necessary to complete the sale. Cost is determined by the Weighted-Average method. Allowance for decline in value of inventories, if any, is provided based on a review of the condition of the inventories at the end of the year.

g. Prepaid Expenses

Prepaid expenses are charged to operations over the periods benefited. The long-term portion of prepaid expenses is presented as part of "Non-Current Assets – Other Assets – Net" account.

h. Property, Plant and Equipment

Direct Ownership

Property, plant and equipment are stated at cost, except for certain assets revalued in accordance with government regulation, less accumulated depreciation. Depreciation, except for land which are not depreciated, is computed using the Straight-line method, after taking into account their salvage values at 10 % of carrying values (except for land and buildings improvements which have no salvage value), over the estimated useful lives of the assets as follows :

	<u>Years</u>
Building and Electrical Installations	20
Machinery and Equipment	5 and 12
Land and Building Improvements, Transportation Equipment and Furniture, Fixtures and Office Equipment	5

PT BISI INTERNATIONAL Tbk AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

For the 6-Month Periods ended June 30, 2007 and 2006 (As restated)
(Expressed in Million of Rupiah, Except Otherwise Stated)

The cost of minor repairs and maintenance is charged to income as incurred; significant renewals and betterments are capitalized. When assets are retired or otherwise disposed of, their carrying values and the related accumulated depreciation are removed from the accounts and any resulting gain or loss is reflected in the Consolidated Statement of Income for the year.

Costs associated to the acquisition or renewal of legal titles over landrights are deferred and presented in "Non-Current Assets – Others Assets – Net in the Consolidated Balance Sheets and amortized over the legal terms of the related landrights or the economic lives of the land, whichever period is shorter.

Capital Lease

Lease transactions are accounted for under the capital lease method when the required capitalization criteria under PSAK No. 30, "Accounting for Lease Transactions", are met. Leases that do not meet any of the required capitalization criteria are accounted for under the Operating Lease method. Assets under capital lease are presented in the Balance Sheets as part of property, plant and equipment based on the present value of the lease payments at the beginning of the lease term plus residual value (option price) to be paid at the end of the lease period. Depreciation is computed using the Straight-line method based on the estimated useful lives of the leased assets which are similar to those property, plant and equipment that acquired under direct ownership.

Obligations under capital lease are presented at the present value of the lease payments.

Construction in Progress

Construction in progress is stated at cost and presented as part of the property, plant and equipment. The accumulated costs will be reclassified to the appropriate property, plant and equipment account when the construction is substantially completed and the property, plant and equipment are ready for their intended use.

i. Assets Not Used in Operations

Assets not used in operations are stated at carrying value and not depreciated, and presented as a part of "Non-Current Assets – Other Assets – Net" account in the Consolidated Balance Sheets".

j. Impairment of Assets Value

The Company and Subsidiaries conduct a review to determine whenever there is any indication of assets impairment, including assets not used in operation at the end of year. If any such indication exists, the Company and Subsidiaries are required to determine the recoverable value of the assets and recognize the impairment in assets value as a loss in the Consolidated Statements of Income for the current year.

k. Revenue and Expense Recognition

Revenue from sales of foundation seeds, commercial seeds, pesticide, fertilizer and others are recognized upon delivery of the goods to the customers, while revenue from export sales are recognized upon shipment of the goods to the customers (f.o.b. shipping point). Income from sales of salvage seeds and other product are recorded net of the related expenses incurred and presented as "Other Income (Charges)".

PT BISI INTERNATIONAL Tbk AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

For the 6-Month Periods ended June 30, 2007 and 2006 (As restated)
(Expressed in Million of Rupiah, Except Otherwise Stated)

i. Estimated Liability for Employees' Benefits

The Company and Subsidiaries recognized estimated liability for employees' benefits in accordance with Labor Law No. 13/2003 dated March 25, 2003 ("Labor Law no. 13/2003"). In accordance with Labor Law No. 13/2003, the Company and Subsidiaries are required to pay the severance, gratuity and compensation if certain conditions in the Labor Law No. 13/2003 are met.

On January 1, 2005, the Company and Subsidiaries adopted PSAK No. 24 (Revised 2004), "Employee Benefits", on a retrospective basis and changed its previous accounting method for employee benefits to the method required. Under this standard, the cost of providing employee benefits under Labor Law No. 13/2003 is determined using the Projected Unit Credit actuarial valuation method. Actuarial gains and losses are recognized as income or expense when the net cumulative unrecognized actuarial gains and losses for each individual plan at the end of the previous reporting year exceeded 10 % of the defined benefit obligation at the date. These gains or losses are recognized on a Straight-line basis over the expected average remaining working lives of the employees. Further, past-service costs arising from the introduction of a defined benefit plan or changes in the benefit payable of an existing plan are required to be amortized over the period until the benefits concerned become vested.

m. Derivative Instruments

The Company adopts PSAK No. 55, "Accounting for Derivatives and Hedging Activities". PSAK No. 55 establishes the accounting and reporting standards requiring that every derivative instrument be recorded in the Consolidated Balance Sheets as either asset or liability as measured at fair value of each contract. PSAK No. 55 requires that changes in derivative's fair value be recognized in current operation unless specific hedges allow a derivative's gain and losses to offset related results on the hedged item in the Consolidated Statements of Income, and requires that an entity must formally document, designate and assess the effectiveness of transactions that met hedge accounting. All of the Company's derivative instruments are not designated as hedging instruments for accounting purposes.

n. Research and Development

Research and development cost are expensed as incurred. An intangible asset arising from development expenditure on an individual project is recognized only when the Company can demonstrate all of the following : the technical feasibility of completing the intangible asset so that it will be available for use or sale; its intention to complete the intangible asset and use or sell it; its ability to use or sell the intangible asset; how the intangible asset will generate future economic benefits; the availability of adequate technical, financial and other resources to complete the development and to use or sell the intangible asset; and its ability to measure the expenditure attributable to the intangible asset during its development reliably. As of June 30, 2007 and 2006, the Company and Subsidiaries did not recognize the intangible asset during the development since did not meet all criteria above.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

For the 6-Month Periods ended June 30, 2007 and 2006 (As restated)
(Expressed in Million of Rupiah, Except Otherwise Stated)

o. Foreign Currency Transactions and Balances

Transactions involving foreign currencies are recorded in Rupiah amounts at the rates of exchange prevailing at the time the transactions are made. At the Consolidated Balance Sheets date, monetary assets and liabilities denominated in foreign currencies are adjusted to Rupiah to reflect the Bank Indonesia's middle rates of exchange at such date. The resulting gains or losses are credited or charged to operations of the current year.

p. Income Tax

Current tax expense is provided based on the estimated taxable income for the year. Deferred tax assets and liabilities are recognized for temporary differences between the financial and the tax bases of assets and liabilities at each reporting date. Future tax benefits, such as the carry-forward of unused tax losses, are also recognized to the extent that realization of such benefits is probable.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply to the period when the asset is realized or the liability is settled, based on tax rates that have been enacted or substantively enacted at the Consolidated Balance Sheets date. For each of the Consolidated Subsidiary, the tax affects of temporary differences and fiscal loss carry-forward which individually could represent either assets or liabilities, are shown at the applicable net amounts.

Amendments to tax obligations are recorded when an assessment is received or, if appealed against by the Company and Subsidiaries, when the result of the appeal is determined.

q. Earnings per Share

Earnings per share is computed by dividing net income for the year with the Weighted-Average number of shares outstanding during the year after considering the retroactive effect of the bonus shares, shares issued in connection with the restructuring transactions of under common control and change in par value of share from Rp 1,000 (full amount) per share to Rp 100 (full amount) per share.

r. Segment Information

The Company and Subsidiaries classify their segment reporting as follows :

- i) Business segment (primary), which consists of corn seeds, vegetables seeds and pesticides.
- ii) Geographical segments (secondary) are based on the location of customers which consists of Java, Sumatera, Sulawesi, Kalimantan and outside country.

s. Use of Estimates

The preparation of the Consolidated Financial Statements in conformity with generally accepted accounting principles requires management to make estimations and assumptions that affect amounts reported therein. Due to inherent uncertainty in making estimates, actual results reported in future periods might be based on amounts, which differ from those estimates.

3. RESTRUCTURING OF ENTITIES UNDER COMMON CONTROL

In 2006, the Central Pertiwi (CP) and PT Surya Hidup Satwa (SHS), the controlling shareholders of the Company, have restructured their holdings in the Charoen Pokphand Group whereby the Company became the parent company in the seeds business of the group.

The restructuring transactions were conducted through the following :

- Acquisition of PT Tanindo Subur Prima (TSP)

In December 2006, the Company purchased the 54.20% share ownership or representing 49,864,000 shares in TSP from CP and SHS at Rp 1,009 (full amount) per share or totaling Rp 50.3 billion. On December 19, 2006, the Company fully paid these purchases.

- Acquisition of PT Multi Sarana Indotani (MSI)

In December 2006, the Company purchased the 99.99% share ownership or representing 11,499,999 shares in MSI from CP and Jialipto Jiaravanon at Rp 1,042 (full amount) per share or totaling Rp 12 billion. On December 15, 2006, the Company fully paid these purchases.

The above acquisitions were financed from the proceeds of the issuance of the 63,000,000 shares capital or Rp 63 billion in December 2006.

The purchase prices and the related carrying values of the net assets of the acquired Subsidiaries are as follows :

	Transfer Price	Book Value of Net Assets	Difference
PT Tanindo Subur Prima	50,313	55,693	5,380
PT Multi Sarana Indotani	11,983	12,466	483
Total	62,296	68,159	5,863

The above transactions were accounted in accordance with PSAK No. 38 (Revised 2004), "Accounting for Restructuring of Entities under Common Control", therefore, the restructuring of entities under common control was treated as if it has been occurred since the beginning of the presentation of Financial Statements.

8. SHORT-TERM BANK LOANS

This account represents working capital loans obtained by the Company and Subsidiaries from PT Bank Rakyat Indonesia (Persero) Tbk (BRI) with maximum credit limit obtained by the Company and TSP of Rp 75 billion and Rp 60 billion in 2006, respectively. The maximum credit limit obtained by MSI amounted to Rp 15 billion in 2006. These facilities have maturity period of 1 year. On December 8, 2006, BRI agreed to extend the credit facility to the Company and TSP until December 17, 2007. On March 21, 2007, BRI agreed to extend the credit facility to MSI until December 20, 2007. The loans bear annual interest rate of 15.0% in 2006. As of June 30, 2007, these loans are secured by accounts receivable – trade of Rp 32 billion, inventories of Rp 89.5 billion and certain property, plant and equipment of Rp 88.7 billion owned by the Company and Subsidiaries.

As of June 30, 2007 and 2006, the outstanding balance of working capital loans is as follows :

	<u>2007</u>	<u>2006</u>
Company	8,689	34,531
Subsidiaries		
PT Tanindo Subur Prima	59,102	15,001
PT Multi Sarana Indotani	<u>14,688</u>	<u>10,114</u>
Total	<u>82,479</u>	<u>59,646</u>

Based on loan agreements, the Company and Subsidiaries should obtain a written approval from BRI before conducting certain transactions, among others :

- give loans other than balances arising from the Company's main line of business with third parties;
- change of shareholder structure so that Charoen Pokphand Group not becoming majority shareholder;
- merger and declare dissolution;
- give any guarantee or assets to other parties outside Charoen Pokphand Group exceeding 20% of share capital;
- give loans to shareholders exceeding 20 % of share capital;
- make payment of the shareholder's loan totaling (accumulated during one accounting period) more than 20 % of share capital; and
- declare or pay any dividends exceeding current net income.

In addition to the above requirements, BRI also requests MSI to obtain approval from BRI if MSI will conduct Initial Public Offering (IPO). This requirement is also present in the investment credit agreement between MSI and BRI.

In 2006, the Company and TSP declared cash dividends that exceeded their current net income. The Company also made payment on the shareholder's loan totaling Rp 75 billion that exceeded 20% of share capital. Based on the approval letters from BRI No. B.448AGR/AGR-II/02/07 and No. B.449AGR/AGR-II/02/07 dated February 26, 2007 to the Company and TSP, respectively, BRI has given the written waiver regarding the above transactions.

The Company and Subsidiaries have obtained the approval Letter No. B.448AGR/AGR-II/02/07 dated February 26, 2007 from BRI in relation with the Company's plan to conduct Initial Public Offering.
